In the Sierra de Altea, with stunning sea views, is this newly built minimalist villa, with the best qualities and a perfect design. It is distributed over three floors, on the upper floor there is a garage for two cars and the entrance hall that communicates with the rest of the house. On the middle floor there are three of the four bedrooms of this property, two main bedrooms and two additional bedrooms. The master bedroom on this floor has the bed situated to enjoy the marvellous sea views, has access to a private terrace and has an en suite bathroom and dressing room. The other two bedrooms also each have en-suite bathrooms, large wardrobes and share a terrace. There are also additional wardrobes in the corridor leading to them. The main floor is distributed in two areas, delimited by the hall and the stairwell. On one side we have the fourth bedroom with en suite bathroom, dressing room and access to the main terrace with a porch area. The other area houses a guest toilet, kitchen open to the dining room with a central island with fire and breakfast area, dining room with access to the porch, a bright living room. Three open spaces, flooded with Mediterranean light and above all connected with the exterior of the house, with its various porches, exterior toilet, large terrace and a swimming pool with an endless side so as not to lose sight of the sea for a single moment. It is equipped with lift, security system, underfloor heating, air conditioning, technical lighting, garden areas. Design, equipment, quality and stunning sea views await you in Altea, Costa Blanca North.
