It has 4 bedrooms, 3 complete bathrooms, a toilet and a swimming pool on a terrace with unrepeatable views of the sea. The villa offers modern concepts of domestic comfort, with the most advanced technological solutions and the best equipment to turn your day into an authentic well-being. The mixture of limestone and white walls mark the character of this villa, fixing it to the Mediterranean land and opening it to the sky and the sea. Pines and palm trees surround the house in a permanent dialogue with the blue sky and the omnipresent sea. It is located in the heart of Costa Blanca, in one of the most exclusive urbanizations of the Mediterranean Sea, surrounded by natural spaces, caves, beaches and all the necessary services. *Price does not include taxes
