Incredible villa, located in an exclusive urbanization on a hilltop that affords the villa views of both the Mediterranean and interior areas of northern Costa Blanca. It is a three-story, luxury villa with private pool and is accessed via the top floor where there is parking and an elevator connecting all levels. On the middle floor are bedrooms all with terraces overlooking the Mediterranean Sea. There are 3 bedrooms all with en-suite bathrooms and 2 have access to a terrace overlooking the Mediterranean. The ground floor, a large living area full of light, connected to the kitchen and the exterior, is the heart of this luxury villa. The outdoor spaces have been carefully considered: a garden adapted to the plot, with terraced walls that generate various spaces and levels; and a large terrace with an infinity pool that merges with the sea. Located in a spectacular location, next to lovely coves and beaches, surrounded by nature, with a unique gastronomic and leisure offer, well communicated with two international airports at less than 100Km, and strategically located between Alicante and Valencia city. *Prices doesn't include VAT
