Introducing a new development that combines luxury and style with the perfect balance of indoor and outdoor living. These contemporary homes have been designed to meticulous standards to provide a comfortable Mediterranean lifestyle. The development comprises of four private semi-detached villas available in two different styles. Each villa features a private swimming pool and a parking space. The ground floor consists of a fully equipped kitchen with high-end appliances such as a fridge, ceramic hob, oven, microwave, extractor hood, dishwasher and washing machine. The spacious living-dining area has direct access to the terrace and swimming pool. The upper floor houses three bedrooms, two fully fitted bathrooms, and a toilet, with one en-suite bedroom complete with a dressing room. The kitchens feature a spacious island, a sink, and soft closing cupboards. All bathrooms are fitted with clear glass shower screens, vanity units, and mirrors with lights. In addition, these villas come with plenty of extras such as aerothermal heating for domestic hot water, electric blinds, PVC double glazed windows, pre-installation for central air conditioning (air conditioning units not included), built-in wardrobes with drawers, fitted kitchens equipped with compact quartz worktops, parking space, private swimming pool, garden with artificial grass or tiles, exterior lights, and an outside shower. Experience the ultimate luxury of modern living in these stunning homes. Prices start at 312.000 Euro + VAT. Delivery date: August 2023
