Introducing a collection of five villas in the sought-after location of Villamartin. These modern residences offer high-quality finishes and are designed for enjoying the Spanish sun. Situated near the golf course and Villamartin square, this property provides convenience and entertainment within reach. The villas feature a single-level layout with the option of a solarium boasting stunning sea views. With three bedrooms, two bathrooms, and an outdoor shower, these homes offer comfortable living spaces. Each villa includes a private pool, perfect for relaxation and enjoying the Mediterranean climate. The independent plot provides privacy, and a parking space is available for your convenience. The Alu exterior carpentry with high-quality profiles enhances the durability and aesthetics of the property. Inside, you'll find fully equipped closets and dressing areas, along with interior carpentry in lacquered wood. The kitchen is furnished, making meal preparation a breeze. Additional features include motorized self-locking blinds in the bedrooms, fully equipped bathrooms with plumbing fixtures, and underfloor heating in the bathrooms for added comfort. The beautifully landscaped garden creates a pleasant outdoor ambiance, and the pool area includes a lounge space for leisurely moments. The porcelain tiles with flexible C2 adhesive and smooth paint inside add a touch of elegance to the interiors. The residences are designed with special thermal and acoustic isolation, ensuring a tranquil and energy-efficient living environment. The pre-installation for air conditioning allows for personalized climate control. Other amenities include a lightning pack, a videophone for added security, and an energy-efficient Aero thermal water heater. Living here is like living in Ibiza. Don't miss the opportunity to own a villa in this exceptional development.
