The presented villa is the pearl of Phuket. It embodies the beauty of architecture, location and comfort. Perched atop a picturesque hill, it offers breathtaking views of the turquoise waters of Chalong Bay on one side and the mountains and pristine forests on the other.

The architecture of the villa is made in a modern style, which is unobtrusively combined with the surrounding nature. Imagine waking up in the morning and seeing the turquoise waters of the Andaman Sea in front of you.

The geographical position of the villa is very attractive: the proximity to historical sites, gourmet restaurants and supermarkets makes it an ideal choice for those who appreciate the conveniences of city life combined with the silence of nature. Plus, Phuket International Airport is only 38 kilometers away.

On a plot of 814 square meters, there are three separate pavilions of the villa, each offering a unique view of the sea. These pavilions have ceilings 3 meters high, which adds airiness and lightness to the villa. Here, every corner is imbued with tranquility and solitude.

This villa is the perfect choice for those looking for a quiet place to relax and unwind, but who don't want to forego the pleasures that Phuket has to offer.

Being away from the hustle and bustle of hotels and tourist spots, it is in close proximity to an international school, hospital and major shopping centers, just 15 minutes away. A fabulous vacation, accompanied by coziness and comfort, awaits you at this unique villa.
