The project is an exquisite combination of luxury villas with swimming pools, carefully inscribed in the picturesque contours of the Mai Khao area. Surprisingly, this unique development is only 900 meters from Mai Khao Beach and Phuket International Airport, offering a paradise-like dream of tropical luxury and romance.

Spread across 13 districts, the project includes 26 unique villas and an impressive club house. This club house is a combination of functionality and elegance, designed to provide residents with a cozy and stylish space to socialize, relax and spend their leisure time.

The public garden of the project is a real oasis of greenery and freshness, embodying the peace of nature in every leaf.

For those looking to stay in shape, a gym equipped with the latest in fitness technology is available to enable residents to successfully maintain their fitness goals.

After a hard workout, you can take a refreshing dip in the communal pool. The facility also features spaces that envelop visitors in an atmosphere of peace and quiet, ideal for relaxing and enjoying the charm of tropical nature. These unique pieces of infrastructure are designed to maximize your tropical living experience and create an atmosphere of peace and convenience.

Your personal experience of tropical living reaches its zenith in your very own private pool villa. Each villa is designed with meticulous attention to detail, creating a relaxing atmosphere, just like in the world's best
