Introducing a one-of-a-kind development of luxury tourist apartments that blends exclusive design, a prime beachfront location, and a superior level of comfort. These iconic towers offer meticulously crafted 3-bedroom, 2-bathroom apartments, where every detail has been thoughtfully considered, reflecting a strong focus on architecture, interior design, and innovation. Set on a pristine white sandy beach by the Mediterranean Sea, the apartments provide breathtaking views of the horizon. Designed to enhance your living experience, the spacious, light-filled interiors are a testament to refined coastal living. With 116 exclusive units, each one exudes elegance and sophistication. Picture yourself enjoying the stunning sunset from your private terrace, creating a daily moment of tranquility and relaxation. This unique beachfront project also boasts a wide array of amenities for your convenience: a reception area, beach club, infinity pool, heated pool, spa, gym, and babysitting services. From your terrace, take in the endless views of the Mediterranean, while secure underground parking ensures your peace of mind. Perfect for vacations, the apartments also offer an exceptional investment opportunity with high profitability. With full compliance with tourism regulations and licenses, professional management will handle all aspects of your rental agreement, including furnishing, reception, and cleaning services. Ideally located on the beachfront, this project allows you to experience the beauty of both the Mediterranean Sea and a nearby lagoon with warm, shallow waters. It is among the few resorts in the world where you can enjoy both sunrise and sunset from your terrace. With easy access to Murcia and Alicante airports (30 and 70 minutes away), and train connections from Cartagena to Madrid, Barcelona, and beyond, this development truly offers the best of both worlds.
